

# Flexible, low-cost transit for Luzerne County.

Starting in November, LCTA will add a new on-demand transit option to boost access in Luzerne County — introducing LCTA CONNECTS!

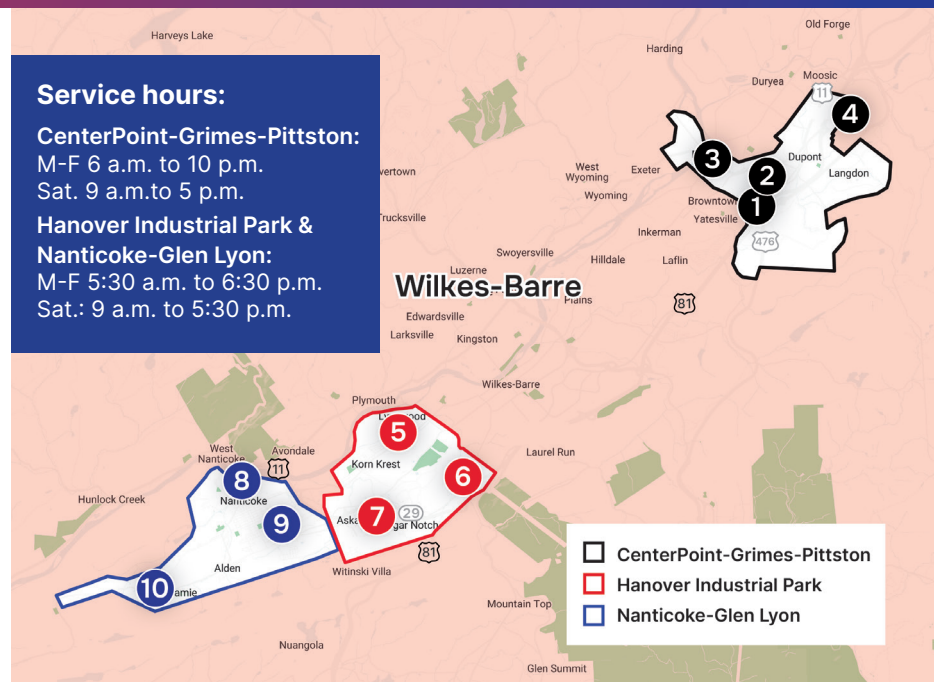

## How it works.

Get on-demand rides around town or connect to the LCTA bus within three Luzerne County zones. Booking is as easy as a few taps in our new app or a quick phone call to our staff. When you ride, you'll be paired with others headed in the same direction and we'll drop you off at or as close as possible to your destination. All vehicles are wheelchair accessible.

## Reasons to ride.

1. LCTA CONNECTS works with the bus system to get you places the bus can't go.
2. Request a ride anytime you need one as long as you are traveling within service hours.
3. 3 easy ways to book: the app, by calling 570-763-7373, or the web portal.
4. Rides are \$1.75 like the bus. The same reduced fares & payment methods for the LCTA bus are available on LCTA CONNECTS.

**Questions? Call LCTA at 570-763-7373 or visit [LCTABUS.COM/CONNECTS](http://LCTABUS.COM/CONNECTS).**
