Special Notes: There were multiple calls regarding Illegal Dumping on Earth Conservancy land near 3 legged leading to the yellow gate and 1 for Illegal Dumping on Pipe Road. After Investigation it was determined that 1 individual was taking money to dispose of the items and dumped multiple times. After the investigation was done the report was turned over to Officer Derojas of the Pennsylvania State Game Commission. He agreed to assist our department with the filing of charges due to the charges for dumping on Co-Operative Agreement land are a lot more severe than the charges we are able to do. Those dump sites have been cleaned up.
